STARBUCKS® NAME™

Story Behind the Coffee

Our appreciation and deep gratitude for all that women do for the coffee community is at the heart of this blend. As one of our company's values, quality is of the utmost importance for us. Siren's Blend was launched in 2019, on International Women's Day, to celebrate and uplift the women who use precision, expertise and innovation every day to ensure the highest quality product is moved from farm to cup. Siren's Blend™ also voices our gratitude to the inspirational Mary Williams, who paved the way for our economic transparency and C.A.F.E. Practices, which are crucial for our ability to provide the highest quality coffee to our customers.

Did You Know?

The Starbucks Foundation set the goal to positively impact 1 million women and girls in origin communities by 2030.
